RE: Scope Determination on Antidumping Duty Order on Certain Tissue Paper from the People's Republic of China (A-570-894)

Re: Scope determination on antidumping duty order on certain tissue paper from the People's Republic of China (A-570-894).

1. On 10/20/2014, in response to a request by Lamrite West Inc. dba Darice Inc. (Darice), Commerce issued a final scope determination that Darice's DTP908 David Tintera Tissue Tassels (Tassels) and POM100 Tissue Poms (Poms) are within the scope of the antidumping duty order on certain tissue paper products from the People's Republic of China (A-570-894).
2. Tassels consist of 16 sheets of cut-to-length tissue paper measuring 25 inches by 10 inches, with a basis weight not exceeding 29 grams per square meter, which may or may not be dye-colored and packaged in a plastic film or bag. Poms consist of three different sized cut-to-length sheets of tissue paper measuring 12 inches by 18 inches, 17 inches by 29 inches, and 20 inches by 29 inches, with ends that are scalloped (die-cut), which are folded, banded and packaged in a plastic film or bag. Both Tassels and Poms are currently classifiable under HTSUS subheading 9505.90.4000.
3. Because the physical characteristics of these products (e.g., basis weight, width, shape, color, and packaging) satisfy the physical criteria of the merchandise enumerated in the scope, and these products do not meet the criteria of any of the tissue paper products excluded from the scope, Commerce found these products to be within the scope of the order.
4. Continue to suspend liquidation of entries of certain tissue paper products from the People's Republic of China, including the Tassels and Poms described above, subject to the antidumping duty order on certain tissue paper products from the People's Republic of China.
